

Life GPS is a free individual operating system, offered through a non-profit organization, designed to help individuals discover and live their life vision each and every day, through a better understanding of their own personality and the personalities of those around them.

Life GPS is designed to be a fun, fast, easy and effective way to assist people deeply understand ourselves and those around us in the most interesting / curious way.

Learn & Have Fun . . .

- 17 second assessment
- Geo & Pain Testing
- Share with friends
- Powerful, short, easy to understand life-changing videos.

The monthly contribution covers the continued development and support of the app, the libraries, networks and will assist many great causes both locally and around the world.

For those who have their own channel, they have the ability to communicate to anyone, anywhere in the world, any type of message that you, your company / organization would like to convey. Life-GPS helps people to see things you would like them to see, in the most innovative, exciting and creative way.

You have the ability to pay per click / view and deliver a precise message based on that individual's unique personality type. Life-GPS becomes like the most advanced salesforce / consultant / persuasive team to move individuals and entire groups of people to learn to think in a very different way . . . like your best clients, best employees, best partners, best volunteers, best donors, etc. Clone Success!
