

LIFE GPS WEB APP

iPhone Directions:

1. In your Safari browser go to www.life-gps.org
2. At the bottom of the browser, you will see your 'Menu' options
3. In the middle of the menu option, click on the square with an arrow pointing up out of it
4. Scroll to the right and click on 'Add to Home Screen'
5. Type in what you want the icon to be named and then click 'Add'
6. You will now have an icon on your home screen to open up the app directly

Android Directions:

1. In your web browser go to www.life-gps.org
2. At the bottom of the screen, it says 'Add to home screen'
3. Click the button, not the 'X' and it will add it to your phone
4. You will now have an icon on your home screen to open up the app directly
